Going to Cape Cod

A photograph of a school bus stop on a sunny day. A yellow school bus is parked on the right side of the road. Several students are standing near the front of the bus, and a staff member in a high-visibility vest is standing in the foreground. The bus has text on its side: "FIRST", "OWNED & OPERATED LADLAW TRANSIT INC.", and "CAPACITY NOT OVER 72 SCHOOL CHILDREN NO STANDEES". The background shows trees and a clear blue sky.
